Community First Bank & Trust and King's Daughters' School wrapped up the 16th annual Santa's Mailbox Program on December 15, 2016. Similar to an angel tree, Santa's Mailbox has wish letters from students who do not have a home to go to and stay on campus during Christmas. Letters were available at Community First Bank & Trust branches in Columbia and Mt Pleasant.

Community First Bank & Trust held a \$5 Jean Days in December to help raise funds for the Santa's Mailbox Program. Employees were allowed to pay \$5 to wear jeans to work on a designated Friday – something that is not the norm.

Community First Bank & Trust would like to thank employees, customers, and members of the community that helped make this year a success.
